3rd Annual An Evening at the

The San Bernardino County Sheriff's Mountain Search & Rescue Team would like you to join us for our 3rd annual fundraiser "An Evening at the IMPROV".

Last year was SOLD OUT! Order your tickets early and avoid the lines. Where does your donation go? We are an all Volunteer Rescue team. We respond 365 days 24/7 to searches for lost hikers and mountain rescues. Since our equipment is "life saving" equipment we only purchase the best and replace it when it's worn out. We also provide community education, especially for the kids. Find out more of what we can do for you on our website. www.sbmountainsar.org
